

## 2011 – 2012 Product Information

### COMPETITION QUESTIONS

Questions Galore offers standard competition sets that follow state specifications for the format, number of questions, and categories of questions. There are competition formats available for the states of Illinois, Missouri, Oklahoma, Alabama, Georgia, Arkansas, and Kentucky. In addition there is a standard format of competition questions for use in all other states. We can also create custom-made question sets to meet your specific needs.

Every competition set is unique to your area, every set is different, and new questions are written each year. Questions are available for the following levels: Elementary (grades 5-6), Junior High (grades 7-8), High School Junior Varsity (grades 9-10), and High School Varsity (grades 11-12). See the descriptions below for the format of the question sets for each state. (Note: Extra questions are provided with each set of questions.)

---

## PRACTICE QUESTIONS

Questions Galore sells practice questions for use in team practices only. These questions have been used in previous tournaments and should NOT be used for competitions. Practice questions are available for the following levels: Elementary (grades 5-6), Junior High (grades 7-8), High School Junior Varsity (grades 9-10), and High School Varsity (grades 11-12). Each set of practice questions contains the following: 60 Toss-Up Questions, 30 Four or Five-Part Bonus Questions, 1 Ten-Part Lightning Round and 1 Twenty-Question Worksheet.

---

## WEEKLIES

Each week from September through April (a total of 32 weeks), Questions Galore will send you via E-mail a packet of practice questions and study aids. Choose from either the High School level or Middle School level. There will be a total of 20 toss-ups and 10 bonus questions per weekly packet plus an extra study aid, such as current events articles, fact sheets, lightning rounds, games, and puzzles.

---

## STUDY GUIDES

Questions Galore has dozens of mini study guides available on a variety of topics. Each study guide is 7-15 pages long and contains definitions, lists, and important terms on each topic.

---

## BOOKS & CDs

There are twenty different books and two CD's available from Questions Galore.

### **Trivia Galore • More Trivia Galore**

#### **Trivia 4U • Question Frenzy**

These four books each have a different selection of 1,500 toss-up questions, divided into 11 basic academic categories. Answers are provided at the back of the book. *For Grades 6-9.*

#### **Rapid Fire • Rapid Fire 2**

These two books each have a different selection of 150 ten-part bonus questions, also known as "lightning rounds." Each round covers one subject area or common theme. Rounds cover all basic academic categories but are mixed up throughout the book. Answers are provided on the same page. Great for quick recall practice. *For Grades 6-9.*

#### **20 Questions • 20 Questions 2**

These two books each have a different selection of 75 twenty-question worksheets. Each worksheet covers one subject area or common theme. Worksheets cover all basic academic categories but are mixed up throughout the book. Answers are provided on a separate page. *For Grades 6-9.*

*In addition to the selections listed above, we also offer the following selections formerly published by Patrick's Press.*

#### **CD ~ High School / College Book of Lists**

Offers hundreds of lists in all academic categories. The CD-ROM is in Adobe format and allows for the use of Adobe search, copy, paste, etc. features. This allows you to create your own personal lists and questions.

#### **CD ~ Constant Quiz Companion**

A CD version of the book described below.

#### **Constant Quiz Companion (Book)**
